Upcoming Dates in May:

May 1: No Aftercare (staff meeting)

May 7: Mother's Day Tea

May 18: Last Day of Aftercare

May 24: Last Day of School

May 24: VPK Graduation

## OUR CLASS IS "BLOOMING" IN APRIL!

This is such a beautiful time of year, the flowers are in full bloom, the days are getting warmer, and believe it or not, we are in our last two months of school! In our class this month we are celebrating and learning all about spring. In the first week of April we will continue talking about Easter and learn about how Jesus rose from the tomb. We will also talk about how Jesus ascended to heaven to be with God, his father. The next two weeks we will learn about the life cycle of the butterfly and the amazing world of insects. Last but not least, we will finish the month by learning about what happens when we plant a seed. Once that seed grows into a plant, we will discuss the parts of a plant and what a plant needs to grow.

In our Bible lessons, we will finish talking about Easter. Your children will learn how Jesus asks us to love each other just as He loves us and about how we are made a new creation through Jesus. We will finish the month of April by learning about God's love for us through the parable of the prodigal son.

### REMINDERS...

Please do not forget to check your child's bags daily. The end of the school year is coming quickly and there will be many items coming home with them, from school notes to class projects, you won't want to miss a thing!

**\*\*\*WE HAVE A CLASS PROJECT!!!\*\*\***

**Please send in a plain white pillow case by the first week of May. We have a keepsake that we are making with each child and will need most of May to complete it. Thank you!**
