

Fantastic Fours

January News - Mrs. Solomon and Mrs. Sasso

Welcome back! We're so excited to begin this New Year and the second half of our school year. This month we will enjoy some cold weather fun as we learn about the season of winter and animals of the Arctic. We will also discuss what happens down on the farm in preparation for our field trip to Green Meadows Petting Farm on Monday, January 30. Our letters for the month are Ww, Rr and Dd and our number is 7.

Green Meadows

On Monday, January 30 the VPK classes will be spending the day at Green Meadows Petting Farm. This is a valuable and exciting experience for our VPK students. Children will have hands-on opportunities to interact with farm animals, including cow milking and pony riding. All students and their chaperone will meet at Green Meadows at 9:30. Please plan accordingly as traffic can be difficult at this time of day. We will be enjoying a picnic lunch after our tour and students will be dismissed for the day from the farm.

Happy Birthday!

January 2nd - Kylie
January 13th - Carley
January 31st - Jaden
