

# Preschool Days are Joyful

## Easter Celebration On April 1

We will be having a full morning of Easter fun on Thursday, April 1.

Each class will begin their day with a special chapel time at 9:15 am in the Sanctuary to learn the Easter story followed by rotations through music, crafts, snack, egg hunts, egg coloring and play-ground time.

We will need **parent volunteers** to help in each rotation area along with parent helpers to walk with classes through the rotations.

We also need 15 dozen hard boiled eggs to color, 100 cardboard crosses cut out and 100 cross shaped sugar cookies.

Attached you will find a "Volunteer Form." Please complete how you can help whether at home or on the day of the event.

**All families are invited to the Easter Family Worship at 11:30 am in the Sanctuary.**

Class parties will be held after the worship time in the individual classrooms. More information regarding class parties and egg hunt information will follow.

Do you love VPK? If you are in the program or plan to be—we need your help!

It is my responsibility to share with you what I have been made aware of from reliable sources in the VPK field. As you know, VPK is a Florida Constitutional right for all children who turn 4 by September 1 to attend a **high quality program**. In my 3 years with VPK, I have met amazing people who believe in early childhood and watched our own VPK Program bless many children with kindergarten readiness skills but most importantly life readiness skills with our spiritual component. It is safe to say that I love VPK as a parent (both sons attended), as a Director, but most importantly as an advocate for children. There are rumors VPK is going away—this is not true! But, funding could be cut if we don't speak up. Please contact your legislators and tell them how you feel about VPK!
