After a cold Florida Winter, Spring is finally here!

Yard Sale April 9 & 10

The Community UMC Youth group has a summer mission trip planned to Nicaragua to build a warehouse to house food donations. As in all ministry opportunities, fundraising is a necessary part to aid in the success of their reach into this country. If you have the spring cleaning "bug", the youth would love your donation of gently used items for their Youth Ministry Yard Sale. All items should be dropped off to CUMC by Saturday, April 3 so the students can begin to organize and price the items. All donations are tax deductible and your help is greatly appreciated.

The Playground Clean-Up Day is Saturday, April 17th. To continue with the theme of Spring Cleaning, we are ready to do a playground clean up day. We are looking for families to join us to spruce up our playground area by repainting the clubhouse, removing equipment we no longer wish to use and helping to add landscaping features to beautify our outdoor classroom. We are awaiting approval for our bike path to be created on the bottom portion of our playground. If you are interested in helping (we need some Moms and Dads!!), please complete the attached volunteer form. If we have a need for nursery, we will arrange free childcare.

Library Make Over

After many months of successful book club orders and the very prosperous Book Fair back in October, our preschool resource library has grown again. We are in need of some organizers to sort and shelve the children's books in a way that makes finding and using them in the classrooms a cinch. We have the foundation for the project but need new eyes and ready to help hands. If you are interested, please contact the preschool office to set up a time to prepare to meet this challenge. If you have children's books at home (especially board books) you would like to donate, we are always looking to grow our library.

We have some new smiling faces on our preschool ministry team.

Please take the chance to welcome them to our school family.
