

**Community Christian Preschool
is proud to announce the following
school spirit items available in the
preschool office for purchase:**

School Tote Bag \$8

The tote bag is the perfect for little children to carry school crafts home to share with their family. The bag is lined with a plastic interior for easy clean up when projects that are not completely dry are sent home with excited children.

Red School T-Shirts \$10

The t-shirts come in either size 2/4 or 6/8. The shirts are suggested for field trip days to help keep our group together.

Water Bottles \$2

The refillable water bottles are the perfect size to fit in the school tote bag in the outer mesh pocket. What a wonderful way to honor our planet by reducing waste while hydrating our little ones.
